Lease of Equipment

BY AND BETWEEN

C.I.T. CORPORATION

AND

TRAILER TRAIN COMPANY

Dated as of September 1, 1970

LEASE OF EQUIPMENT dated as of September 1, 1970, between C.I.T. CORPORATION, a New York corporation (hereinafter called the Lessor), acting herein through its agent C.I.T. LEASING CORPORATION, a Delaware corporation, and TRAILER TRAIN COMPANY, a Delaware corporation (hereinafter called the Lessee).

WHEREAS the Lessor has entered into three Manufacturing Agreements dated as of September 1, 1970 (each such Manufacturing Agreement hereinafter called a Manufacturing Agreement) with the Lessee and ACF Industries, Incorporated, Pullman Incorporated (Pullman-Standard Division) and Bethlehem Steel Corporation, respectively, pursuant to which the Lessor has agreed to purchase and take delivery of the railroad equipment described in Schedule A hereto (hereinafter sometimes called the Equipment); and

WHEREAS the Lessee has agreed to lease from the Lessor all the units of the Equipment, or such lesser number of units as are delivered and accepted and settled for under the Equipment Trust Agreement (as hereinafter defined) on or prior to December 15, 1970 (each hereinafter called a Unit and collectively the Units) at the rentals and for the term and upon the conditions hereinafter provided; and

WHEREAS the Lessor and the Lessee have entered into an Equipment Trust Agreement dated as of September 1, 1970 (herein called the Equipment Trust Agreement), with Manufacturers Hanover Trust Company, as Trustee (hereinafter called the Trustee), under which security title to the Units will be reserved to the Trustee until the Lessor fulfills all its obligations under the Equipment Trust Agreement;

Now, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but subject and subordinate to all the rights and remedies of the Trustee under the Equipment Trust Agreement.

§ 1. *Delivery and Acceptance of Units.* The Lessor will cause each Unit accepted pursuant to a Manufacturing Agreement to be delivered to the Lessee at the same point or points within the United States of America at which such Unit is delivered to the Lessor under such Manufacturing Agreement, such point or points, however, to be mutually acceptable to the Lessor and the Lessee. Upon such delivery, the Lessee will cause an inspector of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such Unit and to execute and deliver to the Lessor and to the Trustee a Lessee's Certificate (as defined in the Equipment Trust Agreement and complying with the provisions of Section 4.04(a) thereof), whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee under this Lease and shall be subject thereafter to all the terms and conditions of this Lease and such Lessee's Certificate shall be absolutely binding upon the Lessee. Any Unit excluded from or substituted under the Equipment Trust Agreement pursuant to the third paragraph of Section 4.01 thereof shall likewise be excluded from this Lease.

§ 2. *Rentals.* The Lessee agrees to pay to the Lessor, as rental for each Unit subject to this Lease, 30 consecutive semiannual payments, payable on March 1 and September 1 in each year commencing March 1, 1971. The first such semiannual payment shall be in an amount equal to the sum of (x) 1.00919% of the Cost (as such term is defined in the Equipment Trust Agreement) of each Unit subject to this Lease and (y) .0265215% of the Cost of such Unit for each day elapsed from and including the Settlement Date (as defined in Section 4.02 of the Equipment Trust Agreement) for such Unit to March 1, 1971, and the remaining twenty-nine such semiannual payments shall each be in an amount equal to 5.783% of the Cost of each such Unit. In addition, the Lessee shall pay to the Lessor (i) on the Settlement Date for each Unit, if such Settlement Date is later than the 31st day following the date of acceptance of such Unit pursuant to § 1 hereof, additional rental in an amount equal to interest on the Cost of such Unit from such 31st day to and including the Settlement Date, at a rate per annum equal to the prime rate which the Trustee would charge on such Settlement Date for 90-day loans to borrowers of the highest credit standing and (ii)

on March 1, 1971, additional rental in an amount equal to 10.5% per annum of the amount from time to time remaining on deposit with the Trustee as Deposited Cash (as defined in the Equipment Trust Agreement) from the original date of issue of the Trust Certificates (as defined in the Equipment Trust Agreement) to the date of application of such Deposited Cash or March 1, 1971, as the case may be. If any of the payment dates referred to above is not a Business Day (as defined in the Equipment Trust Agreement), the payment shall be payable on the next succeeding Business Day (without interest).

Notwithstanding anything to the contrary contained herein, any and all sums paid by the Lessee pursuant to its guaranty set forth in the first paragraph of Section 7.01 of the Equipment Trust Agreement in respect of the obligations set forth in Sections 5.04(c), (d) and (e) thereof not attributable to an Event of Default (as hereinafter defined) hereunder or to late payment shall be thereupon deemed to have been paid in reduction or satisfaction, to the extent thereof, of any rental payments then due and payable by the Lessee to the Lessor under this § 2.

The Lessor irrevocably instructs the Lessee to make all the payments provided for in this Lease, during the original term hereof (other than the rental payable pursuant to clause (i) of the third sentence of this § 2, and any amount payable in respect of a Unit which has not been settled for pursuant to Section 4.02 of the Equipment Trust Agreement by reason of such Unit's having suffered a Casualty Occurrence, which rental and amount shall be paid to the Lessor at the address set forth in the second sentence of this paragraph), in immediately available funds in New York City for the account of the Lessor, in care of the Trustee at its office at 40 Wall Street, New York, N. Y. 10015, attention of Corporate Trust Department, with instructions to the Trustee first to apply such payments to satisfy the obligations of the Lessor under the Equipment Trust Agreement known to the Trustee to be due and payable on the date such payments are due and payable hereunder and second, so long as no Event of Default under the Equipment Trust Agreement shall have occurred and be continuing, to pay any balance promptly to the Lessor in immediately available funds in New York City to the credit of C.I.T. Corporation,

c/o Chemical Bank, Madison Avenue and 59th Street Branch, New York, New York 10022, Special Account Number 116-013117, or to such other place as the Lessor shall specify in writing. After the original term of this Lease, all payments provided for herein shall be made to the Lessor in immediately available funds in New York City to the credit of C.I.T. Corporation, c/o Chemical Bank, Madison Avenue and 59th Street Branch, New York, New York 10022, Special Account Number 116-013117, or to such other place as the Lessor shall specify in writing. The Lessee agrees to make the payments provided for herein as contemplated by this paragraph.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or set-off against rent, including, but not limited to, abatements, reductions or set-offs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or otherwise or against the Trustee; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use of or destruction of all or any of the Units from whatsoever cause, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease or lack of right, power or authority of the Lessor to enter into this Lease, or by reason of any failure by the Lessor to perform any of its obligations herein contained, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

§ 3. *Term of Lease.* The term of this Lease as to each Unit shall begin on the date of the acceptance thereof by the Lessee pursuant to § 1 hereof and, subject to the provisions of §§ 6, 9 and 12 hereof,

shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

§ 4. *Identification Marks.* The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, in letters not less than one inch in height, the following words: "OWNED BY A BANK OR TRUST COMPANY UNDER A SECURITY AGREEMENT FILED UNDER THE INTERSTATE COMMERCE ACT, SECTION 20c", or other appropriate words designated by the Lessor or the Trustee, with appropriate changes thereof and additions thereto as from time to time may be required by law or reasonably requested in order to protect the title of the Lessor and the security title of the Trustee to such Unit and the rights of the Lessor under this Lease and the Equipment Trust Agreement and of the Trustee under the Equipment Trust Agreement. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace promptly any such words which may be removed, defaced or destroyed. The Lessee will not change or permit to be changed the identifying number of any Unit except in accordance with a statement of new numbers to be substituted therefor, which statement previously shall have been filed with the Trustee and the Lessor and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Equipment Trust Agreement shall have been filed, recorded and deposited.

Each Unit may be lettered "Trailer Train Company", "T.T.X.", or in some other appropriate manner for convenience of identification of the interests of the Lessor and the Lessee therein. Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on any of the Trust Equipment as a designation which might be interpreted as a claim of ownership.

§ 5. *Taxes.* All payments to be made by the Lessee hereunder will be free of expense to the Lessor and the Trustee for collection or other

charges and will be free of expense to the Lessor and the Trustee with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax [and, to the extent that the Lessor is entitled to credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all state or city income taxes or franchise taxes measured by net income based on such receipt, up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state or city, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided, and other than any taxes payable by the Trustee in consequence of the receipt by the Trustee of fees or compensation for services rendered under the Equipment Trust Agreement) or license fees, assessments, charges, fines or penalties (all such taxes, license fees, assessments, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by, this Lease, the Equipment Trust Agreement or any of the instruments or agreements referred to herein or therein or contemplated hereby or thereby, or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof, the Equipment Trust Agreement or any such instruments or agreements, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom (except as provided above) or upon the Lessor solely by reason of its ownership thereof or upon the Trustee solely by reason of its security title thereto and any impositions upon or on account of the trust created by the Equipment Trust Agreement or the transactions contemplated thereby (whether or not such transactions shall actually be consummated) or the instruments or agreements referred to therein or contemplated thereby, and will keep at all times all and every part of such

Unit free and clear of all impositions which might in any way affect the title of the Lessor and the security title of the Trustee (or the interests of the holders of the Equipment Trust Certificates issued under the Equipment Trust Agreement) therein or result in a lien or security interest upon any such Unit (other than the Equipment Trust Agreement and this Lease) and will supply the Lessor and the Trustee with a receipt or other evidence of such payment satisfactory to the Lessor and the Trustee; *provided, however*, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor or the Trustee, adversely affect the title, property or rights of the Lessor or the Trustee hereunder or under the Equipment Trust Agreement. If any imposition shall have been charged or levied against the Lessor or the Trustee directly and paid by the Lessor or the Trustee, the Lessee shall reimburse the Lessor or the Trustee, as the case may be, on presentation of an invoice therefor. The Lessor agrees that if, in the opinion of independent tax counsel selected by the Lessor and acceptable to the Lessee, a bona fide claim exists to all or a portion of any imposition in respect of which the Lessee has made payment to the Lessor as aforesaid, the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by said independent counsel in order to sustain such claim. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested. The Lessee shall be entitled to the proceeds of the successful prosecution of any such claim.

In the event any reports with respect to impositions are required to be made, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Trustee in the Units, if such is necessary or appropriate, or will notify the Lessor and the Trustee of such requirement and will make such reports in such manner as shall be satisfactory to the Lessor and the Trustee.

In the event that, during the continuance of this Lease, the Lessee shall become liable for the payment or reimbursement of any impositions pursuant to this § 5, such liability shall continue, notwithstanding the termination of this Lease, until all such impositions are paid or reimbursed by the Lessee.

§ 6. *Payment for Casualty Occurrences.* Whenever any Unit shall be or become worn out, lost, stolen, destroyed or irreparably damaged, from any cause whatsoever, or taken or requisitioned by condemnation or otherwise (such occurrences being hereinafter called Casualty Occurrences) during the term or any extended term of this Lease, or until such Unit shall have been returned in the manner provided in § 13 hereof, the Lessee shall, promptly after it shall have been determined that such Unit has suffered a Casualty Occurrence, deliver to the Lessor and the Trustee a Lessee's Certificate (as defined in the Equipment Trust Agreement) fully informing them with respect thereto and complying with the provisions of Section 5.07 of the Equipment Trust Agreement. On the rental payment date next succeeding the delivery of such Lessee's Certificate (or, in the event such rental payment date will occur within 60 days after such delivery, on the following rental payment date or, if this Lease, or any extended term hereof, as the case may be, shall expire before or within 60 days after such delivery on the expiration date of this Lease, or any such extended term, or any other date thereafter, within 60 days of such delivery or, in the event that such Unit shall not have then been settled for pursuant to Section 4.02 of the Equipment Trust Agreement at the time of such delivery, on the date such Unit would have been settled for but for such Casualty Occurrence) the Lessee shall pay to the Lessor an amount equal to the accrued rental for such Unit to the date of such payment plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of such payment date in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit (other than additional rental payable pursuant to clause (ii) of the third sentence of the first paragraph of § 2 hereof) shall cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the

loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. If the date upon which the making of such payment by the Lessee in respect of any Unit is required as aforesaid shall be after the original or any extended term of this Lease in respect of such Unit, no rental for such Unit shall accrue after the end of such term but the Lessee in addition to paying the Casualty Value for such Unit shall pay interest thereon at the prime rate of interest which the Trustee would charge on the date of such payment for 90-day loans to borrowers of the highest credit standing, from the end of such term to the date of such payment. The Lessor shall, upon request of the Lessee, after payment by the Lessee of a sum equal to the Casualty Value of any Unit which shall have been lost, stolen or completely destroyed, execute and deliver to or upon the order of the Lessee a bill of sale (without warranties) for such Unit.

Except as provided in the last sentence of this paragraph, the Casualty Value of each Unit as of any rental payment date shall be the greater of (x) the Fair Value thereof as determined pursuant to Section 5.07 of the Equipment Trust Agreement or (y) that percentage of the Cost of such Unit as is set forth in the following schedule opposite the number of such rental payment date:

CASUALTY VALUE

The Casualty Value of any Unit which shall suffer a Casualty Occurrence prior to settlement for such Unit pursuant to Section 4.02 of the Equipment Trust Agreement and which, because of such Casualty Occurrence, is not settled for, shall be an amount equal to the Cost of of such Unit.

Except hereinabove in this § 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

§ 7. *Annual Reports.* On or before April 1 in each year, commencing with the year 1971, the Lessee will furnish to the Lessor and the Trustee, in such number of counterparts or copies as may reasonably be requested, a Lessee's Certificate, as of the preceding December 31, (i) showing the amount, description and numbers of all Units then leased hereunder and the amount, description and numbers of all Units that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease in the case of the first such Lessee's Certificate), and such other information regarding the condition and state of repair of the Units as the Lessor or the Trustee may reasonably request and (ii) stating that, in the case of all Units repaired or repainted during the period covered thereby, the markings required by § 4 hereof and Section 5.06 of the Equipment Trust Agreement have been preserved or replaced. The Lessor shall have the right at its sole cost, risk and expense, by its agents, to inspect the Units and the records of the Lessee with respect thereto at such reasonable times as the Lessor may request during the continuance of this Lease.

§ 8. *Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; Indemnification; and Insurance.* **The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to the quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose or as to its title to the Units or any component thereof,** it being agreed that all such risks, as between the Lessor

and the Lessee, are to be borne by the Lessee; but the Lessor hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Lessor and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Lessor may have against the manufacturer of the Units or of the components thereof. The Lessor shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstances in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's acceptance of delivery of the Units shall be conclusive evidence as between the Lessee, the Lessor and the Trustee, that all Units described in any Lessee's Certificate confirming such acceptance are in all the foregoing respects satisfactory to the Lessee and the Lessee will not assert any claim of any nature whatsoever against the Lessor or the Trustee based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Trustee, to comply in all respects with all laws of the jurisdictions in which operations involving any Unit subject to this Lease may extend, with the Interchange Rules of the Association of American Railroads, if applicable, and with all lawful rules of the Interstate Commerce Commission, if applicable, the Department of Transportation and any other legislative, executive, administrative or judicial body or officer exercising any power or jurisdiction over any such Unit, to the extent such laws and rules affect the operations or use of such Unit; and the Lessee shall and does hereby indemnify the Lessor and the Trustee and agrees to hold the Lessor and the Trustee harmless from and against any and all liability that may arise from any infringement or violation of any such laws or rules by the Lessee, the Lessee's employees or

any other person. In the event that such laws or rules require the alteration of the Units or in case any equipment or appliance on any such Unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such Unit in order to comply with such laws and rules, the Lessee agrees to make such alterations, changes, additions and replacements at its own expense and to use, maintain and operate such Unit in full compliance with such laws and rules so long as such Unit is subject to this Lease; *provided, however*, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Trustee, adversely affect the property or rights of the Lessor or the Trustee hereunder or under the Equipment Trust Agreement.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit (including any special device, rack or assembly attached or affixed thereto and considered an accession thereto as hereinbelow provided) which is subject to this Lease in good order and repair.

Any and all additions to any Unit and any and all parts installed on or replacements made to any Unit (other than any special devices, racks or assemblies, at any time attached or affixed to any such Unit, the cost or purchase price of which is not included in the Cost of such Unit and the title to which is in a person, firm or corporation other than the Lessor, the Lessee or the Trustee) shall be considered accessions to such Unit and, without cost or expense to the Lessor or the Trustee, there shall immediately be vested in the Lessor and the Trustee the same interest in such accessions as the interests of the Lessor and the Trustee in such Unit. The Lessee may make alterations or modifications in any Unit so long as it does not affect the value of such Unit adversely. The Lessee shall not permit any special device, rack or assembly to be attached or affixed to any Unit unless such special device, rack or assembly is to be considered an accession to such Unit or may be readily removed from such Unit without materially impairing the value of such Unit.

The Lessee agrees to indemnify and save harmless the Lessor and the Trustee against any charge or claim made against the Lessor

or the Trustee and against any expense, loss or liability (including but not limited to counsel fees and expenses, patent liabilities, penalties and interest) which the Lessor or the Trustee may incur in any manner by reason of the issuance of the Trust Certificates or by reason of entering into or performing the Equipment Trust Agreement, this Lease, any of the instruments or agreements referred to therein or herein or contemplated thereby or hereby or the ownership of, or which may arise in any manner out of or as the result of the ordering, acquisition, purchase, use, operation, condition, delivery, rejection, storage or return of, any Unit while subject to this Lease or until no longer in the possession of or stored by the Lessee, whichever is later, and to indemnify and save harmless the Lessor and the Trustee against any charge, claim, expense, loss or liability on account of any accident in connection with the operation, use, condition, possession or storage of any Unit resulting in damage to property or injury or death to any person. The indemnities contained in this paragraph shall survive payment of all other obligations under this Lease and the termination of this Lease.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of, and furnish a copy to, the Lessor) any and all reports known by the Lessee to be required to be filed by the Lessor, or requested by the Lessor to be filed, with any Federal, state or other regulatory authority by reason of the ownership by the Lessor of the Units, the security title of the Trustee to the Units or the leasing of the Units to the Lessee.

§ 9. *Default.* If, during the continuance of this Lease, one or more of the following events (hereinafter sometimes called Events of Default) shall occur:

A. default shall be made in the payment of any part of the rental provided in §§ 2, 12 or 17 hereof and such default shall continue for 15 days; or

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or any unauthorized sublease or use of the Units, or any thereof; or

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Equipment Trust Agreement and such default shall continue for 30 days after written notice from the Lessor to the Lessee specifying the default and demanding that the same be remedied; or

D. any proceedings shall be commenced by or against the Lessee for any relief under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of the obligations of the Lessee hereunder) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease, under the Equipment Trust Agreement and under the guaranty endorsed on the Trust Certificates shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier;

then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions, either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall

absolutely cease and determine as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of the Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on a basis of an 8% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental, and (iii) an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States of America or any political subdivision thereof, shall, in the reasonable opinion of the Lessor, cause the Lessor's net return under this

Lease to be equal to the net return that would have been available to the Lessor if it had been entitled to utilization of all or such portion of the Rapid Amortization Deduction (as hereinafter defined) which was lost, not claimed, not available for claim or disallowed in respect of a Unit as a result of the termination of this Lease, the Lessee's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default.

Anything in this § 9 to the contrary notwithstanding, any default in the observance or performance of any covenant, condition or agreement on the part of the Lessee which results solely in the loss by the Lessor of, or the loss by the Lessor of the right to claim, or the disallowance with respect to the Lessor of, all or any portion of the amortization deduction with respect to a Unit provided for in Section 184 of the Internal Revenue Code of 1954, as amended to the date hereof (herein called the Rapid Amortization Deduction), available to non-railroad lessors of railroad equipment shall be for all purposes of this Lease deemed to be cured if the Lessee shall, on or before the next rental payment date after written notice from the Lessor of the loss, or the loss of the right to claim, or the disallowance of the Rapid Amortization Deduction in respect of such Unit, agree to pay to the Lessor the revised rental rate in respect of such Unit determined as provided in the second paragraph of § 17 hereof.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. Subject to the provisions of the second paragraph of § 2 hereof, the Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

§ 10. *Return of Units Upon Default.* If this Lease shall terminate pursuant to § 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. Each Unit returned to the Lessor pursuant to this § 10 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) have attached or affixed thereto any special device, rack or assembly considered an accession thereto as provided in § 8 hereof and have removed therefrom any special device, rack or assembly not so considered an accession thereto and (iii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

A. forthwith and in the usual manner and at usual speed, cause such Units to be transported to such point or points as shall reasonably be designated by the Lessor, and

B. permit the Lessor to store such Units on any lines of railroad or premises approved by the Lessor until such Units have been sold, leased or otherwise disposed of by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to cause the assembly, delivery, storage and transporting of the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; *provided, however*, that the Lessee shall

not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 10, the Lessee hereby irrevocably appoints the Lessor as the agent and the attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be at the time in possession of such Unit. In connection therewith the Lessee will supply the Lessor with such documents as the Lessor may reasonably request.

§ 11. *Assignment; Possession and Use.* This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including but not limited to the rights under §§ 5, 8, 9 and 17 hereof) shall inure to the benefit of the Lessor's assigns as if named herein as Lessor.

So long as no Event of Default exists hereunder and the Lessee shall have fully complied with the provisions of the fifth and sixth paragraphs of this § 11, the Lessee shall be entitled to the possession of the Units and also to sublease the Units to, or to permit their use under the terms of car contracts by, a sublessee or user incorporated in the United States of America (or any State thereof or the District of Columbia), upon lines of railroad owned or operated by such sublessee or user, or over which such sublessee or user has trackage rights or rights for operation of its trains, and upon connecting and other carriers in the usual interchange of traffic, but only upon and subject to all the terms and conditions of this Lease.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession of the Units included in such sublease and the use thereof; *provided, however*, that every such sublease shall be subject to the

rights and remedies of the Trustee under the Equipment Trust Agreement and the Lessor under this Lease in respect of the Units covered by such sublease upon the occurrence of an Event of Default thereunder or hereunder.

The Lessor shall have the right to declare this Lease terminated in case of any unauthorized assignment or transfer of the Lessee's rights hereunder or in case of any unauthorized transfer or sublease of any of the Units.

The Lessee, at its own expense, will as soon as possible cause to be duly discharged any lien, charge, security interest or other encumbrance (except as aforesaid and other than an encumbrance resulting from claims against the Lessor or the Trustee not related to the ownership or leasing of, or the security title of the Trustee to, the Units) which may at any time be imposed on or with respect to any Unit including any accession thereto or the interest of the Lessor, the Trustee or the Lessee therein. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of this § 11.

The Lessee agrees that during the term of this Lease (i) it will not assign or permit the assignment of any Unit to service involving the regular operation and maintenance thereof outside the United States of America, (ii) any use of any Unit outside the United States of America will be limited to incidental and temporary use in Mexico and Canada, and (iii) it will not make or permit any use of a Unit which shall result in such Unit failing to qualify as "qualified railroad rolling stock" within the meaning of Section 184(d) of the Internal Revenue Code of 1954, as amended to the date hereof, or any regulations promulgated by the Internal Revenue Service thereunder.

§ 12. *Purchase and Renewal Options.* Provided that this Lease has not been earlier terminated, no Event of Default exists hereunder and the Lessee is not otherwise in default hereunder, the Lessee may, by written notice delivered to the Lessor not less than six months prior to the end of the original term of this Lease or any extended term hereof, as the case may be, elect (a) to purchase all, but not

fewer than all, the Units then covered by this Lease at the end of the original or any extended term of this Lease for a purchase price equal to the Fair Market Value of such Units as of the end of such term or (b) to extend the term of this Lease in respect of all, but not fewer than all, the Units then covered by this Lease, for up to three five-year periods commencing on the scheduled expiration of the original term of this Lease, provided that no such extended term shall extend beyond September 1, 2000, at a rental payable in 10 semiannual payments, each in an amount equal to the following percentages of the Cost of such Units: during the first five-year period, 2.8915%; during the second five-year period, 1.9276%; and during the final five-year period, 1.4458%. Such semiannual payments shall be made on March 1 and September 1 in each year of the applicable extended term.

Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's length transaction between an informed and willing buyer-user (other than (i) a lessee currently in possession and (ii) a used equipment dealer) and an informed and willing seller under no compulsion to sell and, in such determination, costs of removal from the location of current use shall not be a deduction from such value. If on or before four months prior to the expiration of the term of this Lease or any extended term hereof, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value of the Units, such value shall be determined in accordance with the foregoing definition by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or failing such agreement, a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. The determination so made shall be conclusively binding upon both the Lessor and the Lessee. The expenses and fee of the Appraiser shall be borne by the Lessee.

§ 13. *Return of Units upon Termination of Term.* Unless a Unit is purchased by the Lessee as provided in § 12 hereof, as soon as practicable on or after the termination of the original or any extended term of this Lease, as the case may be, the Lessee will, at its own cost and expense, at the request of the Lessor, cause such Unit to be transported to such point or points as shall be reasonably designated by the Lessor immediately prior to such termination and permit the Lessor to store such Unit on any lines of railroad or premises approved by the Lessor for a period not exceeding three months; the assembly, delivery, storage and transporting of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of such Unit, to inspect the same; *provided, however*, that the Lessee shall not be liable except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to cause the assembly, delivery, storage and transporting of the Units. Each Unit returned to the Lessor pursuant to this § 13 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) have attached or affixed thereto any special device, rack or assembly considered an accession thereto as provided in § 8 hereof and have removed therefrom any special device, rack or assembly not so considered an accession thereto and (iii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. If the Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or which, after expiration of this Lease the Lessor shall have deemed to have suffered a Casualty Occurrence, it may deliver written notice to such effect to the Lessee

and the Lessee shall thereupon assume, and hold the Lessor harmless from, all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill or bills of sale transferring to the Lessee, or upon its order, the Lessor's title to and property in, any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit abandoned by the Lessor after termination of the Lease; *provided, however*, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to § 6 hereof to make payments provided for therein in respect of any Unit experiencing a Casualty Occurrence during the original or any extended term of this Lease.

§ 14. *Opinion of Counsel.* On the date on which Trust Certificates are issued pursuant to Section 2.01 of the Equipment Trust Agreement, the Lessee will deliver to the Lessor and the Trustee the written opinion of counsel of the Lessee, in such number of counterparts as may reasonably be requested, and addressed to the Lessor and the Trustee, in scope and substance satisfactory to them and their counsel, to the effect that:

A. the Lessee is a corporation legally incorporated and validly existing, in good standing, under the laws of the State of Delaware, with full corporate power to enter into this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreements relating to the Units (and any assignment thereof);

B. this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreements relating to the Units (and any assignment thereof) have been duly authorized, executed and delivered by the Lessee and, assuming the due authorization, execution and delivery thereof by the other parties thereto, constitute valid, legal and binding agreements, enforceable in accordance with their terms;

C. this Lease and the Equipment Trust Agreement have been duly filed and recorded with the Interstate Commerce Commission pursuant to Section 20c of the Interstate Commerce Act,

and will protect the Lessor's title and interest in and to the Units and the Trustee's security title and interest in and to the Units, and no filing, recording or deposit (or giving of notice) with any other Federal, state or local government or agency or instrumentality thereof is necessary to protect the title and interest of the Lessor or the security title and interest of the Trustee in and to the Units in the United States of America;

D. all approvals if any, required from all public regulatory bodies with respect to the entering into or performance of this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreement relating to the Units (and any assignment thereof) have been obtained;

E. the entering into and performance of this Lease, the Equipment Trust Agreement, the Manufacturing Agreements and any equipment purchase agreement relating to the Units (and any assignment thereof) will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound or contravene any provision of law, statute, rule or regulation to which the Lessee is subject or any judgment, decree, franchise, order or permit applicable to the Lessee;

F. no mortgage, deed of trust or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interest therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Lessor's right, title and interest therein; *provided, however*, that such liens may attach to the rights of the Lessee hereunder in and to the Units; and

G. registration of the Trust Certificates under the Securities Act of 1933, as amended, and qualification of the Equipment Trust Agreement under the Trust Indenture Act of 1939, as amended, are not required.

§ 15. *Recording and Expenses.* Prior to the delivery and acceptance of any Unit, the Lessee will without expense to the Lessor cause this Lease and any assignments hereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, recording and repositing required under Section 7.03 of the Equipment Trust Agreement and will from time to time, do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, reregister, rerecord or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Trustee (except as otherwise provided in Section 7.03 of the Equipment Trust Agreement) for the purpose of proper protection, to the satisfaction of the Lessor and the Trustee, of the Lessor's and the Trustee's respective interests in the Units, or for the purpose of carrying out the intention of this Lease and the Equipment Trust Agreement. The Lessee will promptly furnish to the Lessor and the Trustee evidence of all such filing, registering, recording, depositing, refile, reregistering, rerecording and/or repositing and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Lessor and the Trustee.

The Lessor will pay the reasonable costs and expenses involved in the preparation and printing of this Lease, the Equipment Trust Agreement and the Manufacturing Agreements. The Lessor and the Lessee will each bear the respective fees and disbursements, if any, of their respective counsel.

§ 16. *Interest on Overdue Rentals.* Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an amount equal to the Penalty Rate (as defined in the Equipment Trust Agreement) on the overdue rentals and other obligations for the period of time during which they are overdue.

§ 17. *Federal Income Taxes.* The Lessor, as the owner of the Units, shall be entitled to such deductions, credits and other benefits as are provided in the Internal Revenue Code of 1954, as amended to the

date hereof, to an owner of property, including (without limitation) an allowance for the Rapid Amortization Deduction (as defined in § 9 of this Lease) with respect to the Units, but the Lessee's liability under this § 17 shall be solely as set forth below:

If the Lessor shall lose, or shall not have or shall lose the right to claim, or there shall be disallowed with respect to the Lessor, all or any portion of the Rapid Amortization Deduction with respect to a Unit available to non-railroad lessors of railroad equipment because such Unit shall not be or continue to be "qualified railroad rolling stock" within the meaning of Section 184(d) of the Internal Revenue Code of 1954, as amended to the date hereof, or any regulations promulgated by the Internal Revenue Service thereunder, the rental rate applicable to such Unit set forth in §§ 2 and 12 of this Lease shall, on and after the next succeeding rental payment date after written notice to the Lessee by the Lessor that such Rapid Amortization Deduction has not been claimed, or if claimed and then disallowed on and after the next succeeding rental date after payment of the tax attributable thereto, be increased to such rental rate for such Unit as, in the reasonable opinion of the Lessor, will cause the Lessor's net return, after deduction of all taxes required to be paid by the Lessor in respect of the receipt of such increase under the laws of the United States of America or any political subdivision thereof, in respect of such Unit under this Lease to equal the net return that would have been available if the Lessor had been entitled to utilization of all or such portion of the Rapid Amortization Deduction which was not claimed or was disallowed and the Lessee shall forthwith pay to the Lessor the amount of any interest which is assessed by the United States against the Lessor attributable to the loss of all or any portion of the Rapid Amortization Deduction. The Lessor agrees that if, in the opinion of independent tax counsel selected by the Lessor and acceptable to the Lessee, a bona fide claim to all or a portion of the Rapid Amortization Deduction on any Unit exists in respect of which the Lessee is required to pay increased rental and interest as aforesaid to the Lessor as above provided, the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by said counsel in order to sus-

tain such claim. The Lessor may take such action prior to making payment of the amounts claimed pursuant to a notice of disallowance or may make such payment and then sue for a refund. In the latter event, if the final determination shall be adverse to the Lessor, the Lessee shall pay to the Lessor interest on the amount of the tax paid attributable to the Rapid Amortization Deduction disallowed, computed at the rate of 11% per annum from the date of payment of such tax to the date the Lessee shall reimburse the Lessor for such tax in accordance with the provisions of this § 17. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested.

The Lessee's agreement to pay any sums which may become payable pursuant to this § 17 shall survive the expiration or other termination of this Lease.

§ 18. *Notices.* Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States registered mails, first-class postage prepaid, addressed as follows:

If to the Lessor, c/o C.I.T. Leasing Corporation, 650 Madison Avenue, New York, New York 10022, *attention of* the President;

If to the Lessee, at 1819 J. F. Kennedy Boulevard, Philadelphia, Pennsylvania 19103, *attention of* the Vice President and Treasurer;

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

§ 19. *Severability; Effect and Modification of Lease.* Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any

jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the Units and supersedes all other agreements, oral or written, with respect to the Units. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

In the event that the Trust Certificates shall bear dividends on the unpaid principal amount thereof at a rate other than 10½% per annum or in the event that all the Trust Certificates shall be issued to the Lessor, the Lessor and the Lessee shall enter into an appropriate supplement to this Lease appropriately modifying the provisions hereof, including §§ 2 and 6 hereof, in such manner that the rental payable hereunder shall be sufficient to discharge the Lessor's obligations under Sections 5.04(c), (d) and (e) of the Equipment Trust Agreement and the Lessor shall be provided with a net return hereunder equal to the net return that would have been available to the Lessor hereunder if the Trust Certificates had been issued to persons other than the Lessor and had borne dividends at a rate equal to 10½% per annum.

§ 20. *Execution.* This Lease may be executed in several counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument. Although this Lease is dated as of September 1, 1970, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 21. *Law Governing.* The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of New York; *provided, however*, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or depositing hereof and of any assignment hereof or out of the marking on the Units as shall be conferred by the laws of the several jurisdictions in which this Agree-

ment or any assignment hereof shall be filed, recorded or deposited or in which any Unit may be located.

§ 22. *Obligations of Lessor Under Equipment Trust Agreement.* In the event that the Lessor shall become obligated to make any payment (other than pursuant to Section 4.03 of the Equipment Trust Agreement) or to perform any other obligations pursuant to the Equipment Trust Agreement not covered by the provisions of this Lease, the Lessee shall pay such additional amounts to the Trustee and perform such obligations so that the Lessor's obligations (other than pursuant to Section 4.03 of the Equipment Trust Agreement) pursuant to the Equipment Trust Agreement shall be fully complied with. The Lessor will pay over to the Lessee any amounts received by it pursuant to the last sentence of Section 9.04 of the Equipment Trust Agreement.

§ 23. *No Recourse.* No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the Lessor or the Lessee, or against any principal or principals, (disclosed or undisclosed) of the Lessor or assignee or assignees or transferee or transferees of the Lessor if the Lessor is acting in any agency or nominee capacity, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers, assignees, transferees or principals being forever released as a condition of and as consideration for the execution of this Lease.

§ 24. *Provisions Concerning Subordinated Notes.* It is the intention of the parties hereto that the obligations of the Lessee under this Lease shall be superior in right of payment to all the Lessee's Thirty Year Subordinated Notes sold or to be sold pursuant to a Note Purchase Agreement dated as of January 1, 1967, between the Lessee and certain of its stockholders. The Lessee covenants and agrees that if an Event of Default exists hereunder or an Event of Default (as defined in the Equipment Trust Agreement) exists under the Equipment Trust Agreement or any event which, with the giving of

notice or the lapse of time, or both, would constitute such an Event of Default, shall have occurred and be continuing, the Lessee will not voluntarily prepay or retire any of such Notes.

§ 25. *Increase of User Rates.* The Lessee covenants and agrees (i) that, if an Event of Default exists under § 9(A) hereof by reason of the failure of the Lessee to pay to the Trustee within the grace period provided in § 9(A) hereof, all or any part of the rentals due and payable under § 2 hereof required for the payment of the principal or dividends on the Trust Certificates (but not including any principal or dividends payable by reason of acceleration of the date of payment thereof), the Lessee will, upon written notice by the Lessor so to do, within ten days after receipt of such notice, deliver to all parties to its Form A and Form B car contracts (or such other Forms as may hereafter be used in substitution or in replacement of such Form A and Form B car contracts) due and proper notice of increases in the car user charges under such contracts, (ii) that all car contracts covering any unit or units of railroad equipment of which the Lessee is the owner or the lessee will contain provisions permitting the Lessee to require such increases and (iii) that, unless in connection with an assignment or transfer to a corporation which shall acquire all or substantially all of the property of the Lessee pursuant to Section 5.09 of the Equipment Trust Agreement, the Lessee will not assign or transfer its rights and obligations to require such increases under any such car contracts. Such increases shall commence to accrue and shall be effective on the first day of the first calendar month beginning subsequent to ten days after delivery of such notice by the Lessee to the parties to such car contracts. Such increases shall be in such amounts or percentages as will cause to accrue and be payable to the account of the Lessee in respect of the first calendar month during which they are in effect such additional sums of money as will be needed by the Lessee to enable it to pay all such overdue principal and dividends (with interest on overdue principal and dividends at the Penalty Rate, to the extent that it shall be legally enforceable) and to cure any defaults in payment of any principal, dividends or interest (or rentals intended to provide for payment thereof) payable under comparable provisions of

any other equipment trust, conditional sale or other equipment agreement of the Lessee not guaranteed jointly and severally by its shareholders or a group of its shareholders (except defaults arising by reason of acceleration of the date of payment of instalments of principal, dividends or interest, or rentals intended to provide for payment thereof), whether heretofore or hereafter entered into, based upon the most recent records or information available to the Lessee relating to the use of its cars. If for any reason any such increases so made by the Lessee shall fail to provide in 90 days sufficient cash to enable the Lessee to cure such default or defaults hereunder and under any other such agreements, or if cash is provided but is not for any reason applied to cure such defaults, the Lessee will, upon receipt of written notice from the Lessor so to do, promptly make such further increases in its user charges as may from time to time be necessary to enable the Lessee to cure all such defaults hereunder and under such other agreements.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be duly executed as of the date first above written.
